

MARTON & NORMANBY NEWSLETTER March 2018

Spring Edition

Thank goodness the cold weather seems to be moving on. We've had a tough but warm winter at the hall with the new heating doing a great job. External bookings have been made and positive feedback, the new PA system is installed and in weekly use for line dancing and further purchases of smaller tables mean we are equipped for various types of events big or small

We look forward to Spring/Summer season ahead and hope you will support us.
