

MARTON & NORMANBY NEWSLETTER September 2017

Autumn in the Villages

We said we wouldn't be able to provide a newsletter each time but with so many things happening in and around the villages in the coming months we thought it a good opportunity to keep you informed.

Improvements are continuing at the village hall, we continue to plan the toilet refurb. A new music system & seating are both imminent.

The start of Autumn has seen the return of Line Dancing, Bowling & The Gardening Club to the hall so welcome back to all!

Sat 25th November 7.30pm Gin Tasting Evening

Presented by McMillan Wines, Malton
Sample a selection of Gins whilst learning about the different varieties (includes 5 Gin & Tonics and selection of Antipasto, Breads & Dips)

Normanby 7.30 All Welcome**

Community Juicing Day

Saturday 21st October

Apple drop off at Village Hall 10am-12pm (or alternative day by arrangement). Normanby residents please refer to earlier newsletter communication.

Run by Kirby Fruit Project the aim is to bring along your spare apples for processing as part of the community profit share.

The apples should be in good, dry, clean condition, if you require crates for collection please get in touch martonandnormanby@gmail.com we will try to help. This juice is then sold and a proportion of the profits returned to the hall as a donation therefore finding a use for your excess apples and donating funds to your local hall in one go!
