

MARTON & NORMANBY NEWSLETTER October 2025

Winter Edition 2025

Welcome to our newsletter.

We are looking forward to continued events and working on developments for the refurbished hall following the flood, its looking good and open for bookings via the website.

Many thanks for your support for the annual Village show which we raised an amazing £1200 which will really help us to move forward, bearing in mind we now have a £5k excess due to increased insurance excess following the flood!

The committee would like to thank Yorkshire Water and contractor Duffy for their kind donation and sponsorship to finish the kitchen and entrance floor which was not covered through the insurance thus ensuring everything is now completed.

We do hope you will be able to join us in the future and support your village hall for fundraising activities and events.

Halloween 2025 - 31.10.25

The village children will be out in their spooky attire for
the annual fright night tour.
Please leave a Halloween decoration visible so they know
you are happy for them to visit, and we ask children do not
call at houses any later than 6.30pm.
Thank you for making this one of their favourite nights of
the year!
This year the tour will finish in the Village Hall with
games, drinks and food, look out for more details to follow
on Facebook

"Under the auspices of Ryedale U3A, a new
Photography Group is being formed, meeting
in the Village Hall.

The Group is open to anyone who is no longer
in full-time employment, and who has an
interest in creating photographic images.

The group's aim is

Collaboration, not Competition, and it has
three simple principles:

- 1. learn together and from each other**
- 2. have fun with our cameras or 'phones**
- 3. enjoy, and be proud of, our photography**

"You are invited to come along to a meeting
for a 'taster' session. Meetings will take place
on the second Thursday of every month at
1:30pm. For any questions, please contact the
group leader, Paul Styles on email at
styles.pablo@hotmail.com
