

Marton Parish Meeting

Flood Update

North Yorkshire Council has asked that we publicise several recent developments.

The Flood Investigation Report, discussed at last year's Parish Meeting, has now been completed and published. It is available on the North Yorkshire Council website:

<https://www.northyorks.gov.uk/environment-and-neighbourhoods/flooding/flood-and-water-management>

Under “*What flood investigation reports are available?*”, please look for “*Storm Darragh flooding on Rye tributaries.*”

Two drop-in sessions have been organised by North Yorkshire Council for residents affected by flooding across the region. These sessions provide an opportunity to review the report, ask questions, and raise any ongoing concerns.

Representatives will be present from:

- North Yorkshire Council (Flood Risk Management, Resilience and Emergencies)
- Environment Agency
- Yorkshire Water

Session details:

- Tuesday 14 April – 1:30pm to 6:00pm *Moorside Rooms, Kirkbymoorside*
- Tuesday 21 April – 1:30pm to 6:00pm *Village Hall, Sinnington*

Residents are welcome to attend whichever session is most convenient.

Village Meeting

The next Village Meeting will be held at 7:00pm on Thursday 23 April 2026 in the Village Hall.

All residents are encouraged to attend. This is your opportunity to raise issues, share your views, and contribute to matters affecting the village.

The meeting has been scheduled after the drop-in sessions so that, alongside regular parish business; an update on flooding matters will be provided and NYC and the EA have been invited.

A full agenda will be displayed on the village noticeboard in advance of the meeting.

If you would like to raise an item for discussion, please email martonparishclerk@outlook.com or send a note to the address below.

I look forward to seeing you at the meeting.
